

Bird mask template

For this activity you will need:

- 1 copy of template per child
- Scissors
- Glue
- Coloured pencils, textas or crayons
- String or elastic to tie mask to head.

Instructions

Cut out the bird mask, beak and feathers.

Colour in each part in any colour and attach the feathers to the mask.

Take the bird beak and fold along the dotted lines. Using glue attach the beak to the base of the mask.

Punch holes into the sides of the mask and thread elastic or thread through the holes.
