STEM–AND–LEAF PLOT PRACTICE SHEET

Imagine that a survey of mini-beasts has already been done by a class in your school. Here are their results:

7, 36, 41, 39, 27, 21, 24, 17, 24, 31, 17, 13, 31, 19, 8, 10, 14, 45, 49, 50, 45, 32, 25, 17, 46, 36, 23, 18, 12, 6

Your task is to display this data in a stem-and-leaf-plot and describe it in terms of skew:
