

TREE TALLY – ANALYSE THE CLASS DATA

List the number of trees recorded for each size:

Small	
Medium	
Large	

Why do you think groups recorded different results for each type of tree?

Calculate the mean, median and mode for each type of tree in the school yard.

TREE TALLY — ANALYSE THE CLASS DATA

Draw a stem-and-leaf-plot for each tree size using the class data, and describe each one in terms of skew.
