

LEARNING INTENTIONS:

- I understand that people living in a community are diverse.
- I will learn to empathise with others.
- I will use a typical narrative structure to develop a story that is engaging for readers.

SUCCESS CRITERIA:

- I can explain the viewpoint and experiences of someone other than themselves.
- I can describe the emotions and perspectives of someone who has been inhibited by societal structures.
- I plan and write a narrative which reflects the 8-point story arc
