

BAYS PRECINCT LIVEABILITY FACTORS

- 

1. JOBS - To create a hub for knowledge-intensive jobs (jobs that require education, skills and experience) that will increase the global competitiveness of Sydney.
- 

2. GREAT PLACES - To create great places that can be enjoyed by all people in society, and that will benefit local Sydneysiders as well as visitors from across Australia and the world.
- 

3. HOUSING - To provide a range of housing types, including affordable housing.
- 

4. TRANSPORT - To provide a state of the art, environmentally sustainable transport system to ensure the easy movement of people to, from and around the Bays Precinct.
- 

5. BUILDINGS - To create great quality buildings, based upon the principles of sustainability and an excellence in building and urban design.
- 

6. ECOLOGICAL AND MARINE HEALTH - To improve ecological and marine water quality to ensure environmental health and quality.
- 

7. BETTER SERVICES - To ensure the use of integrated utilities, including renewable energy use and generation within the Bays Precinct.
- 

8. WORKING TOGETHER - To develop a way to balance the requirements of land and water users in order to minimise conflict between environmental, social and economic needs.
- 

9. CULTURE AND HISTORY - To develop opportunities to celebrate heritage and culture throughout The Bays Precinct.
