Answer the following questions by shading the bubble beside the most correct answer.

1. The purpose of the image of the dog catching the frisbee is to show...

- an example of a dog competing.
- an example of a talented pup/dog.
- a well trained dog.
- all of the above.

2. The two pictures of cats featured on the right hand side have been included to show...

- different types of cats will compete in the *best in show* competition.
- people carry their cats in different ways.
- some cats match their accessories.

3. The image of a person head to head with a smaller dog supports the statement:

- "...everyone's favourite pooches can be seen at the Royal Melbourne Show..."
- "The talented pups will be on show Saturday September 23-Sunday October 1..."
- "... perfectly groomed and well-trained dogs on display."
