

WELCOME

FROM THE RASV PRESIDENT

For more than 160 years, the Royal Melbourne Show has been celebrating food and agriculture, connecting rural and urban communities, and creating unforgettable moments for families.

The Royal Agricultural Society of Victoria looks forward to welcoming you to the 2017 Royal Melbourne Show at Melbourne Showgrounds from Saturday, September 23 to Tuesday, October 3.

Only at the Show can you get up close to thousands of animals across our blue ribbon competitions and interactive animal experiences, indulge in award-winning food and drink, and enjoy thrilling entertainment and attractions.

Showcasing Victoria's important agricultural industry and its importance to everyday life, the Show offers a unique and enjoyable experience for locals and visitors to Melbourne.

From the true stars of the Show — the animals and their handlers, all vying for a coveted blue ribbon — to the latest in food trends and offering exciting stage shows and fun hands-on activities, there is something for every member of the family.

The Show would not be possible without the important contribution of all our exhibitors, officials, members, staff and volunteers, and we wish the best of luck to all our participants for a successful event.

RASV extends its thanks to our Principal Partners and sponsors for the 2017 Royal Melbourne Show.

We look forward to welcoming you for a day out of unique, unforgettable experiences with friends and family at the Royal Melbourne Show!

Matt Coleman
President
