

THE SHOW

Today you will be writing a narrative.

Your narrative, or story, is to be about the Show. You might think about a local show that you have been to, or imagine a show from a different city.

In this story a character experiences adventure at the Show. There are challenges and trials they face as they try to solve a problem.

In planning your story, think about the different areas of the Show that your main character might venture through. Think about the possible challenges and other characters that might be supportive.

Remember to:

- Plan out your story before you begin to write it.
- Organise your story, thinking about the structure of a narrative and how to use paragraphs.
- Check your writing as you go, and revise it once you finish.
