NSW CURRICULUM - NESA

GEOGRAPHY - Integrates geographical inquiry skills and geographical tools

Early Stage 1

People live in Places:

- Important places | Locating places | GEe-1, GEe-2

Stage 1

Features of Places:

- Features of places | GE1-1, GE1-2, GE1-3
- How places are organised | GE1-1, GE1-2, GE1-3

People and places:

- Australian places | GE1-1, GE1-3

VICTORIAN CURRICULUM - FOUNDATION TO LEVEL 2

GEOGRAPHY

Space, place and interconnection:

- Identify and describe the features of places at a local scale and how they change, recognising that people describe the features of places differently ([VCGGC057](#))
- Describe and explain where places and activities are located ([VCGGC058](#))
- Identify how people are connected to different places ([VCGGC059](#))

Data and Information:

- Collect and record geographical data and information from the field and other sources ([VCGGC060](#))
- Represent data and the location of places and their features by constructing tables, plans and labelled maps ([VCGGC061](#))
- Interpret data and information to draw conclusions and describe the direction and location of places, using terms such as north, south, opposite, near, far ([VCGGC062](#))

Places and our connection to them:

- Definition of places as parts of the Earth's surface that have been given meaning by people, and how places can be defined at a variety of scales ([VCGGK064](#))
- Natural, managed and constructed features of places, their location and how they change ([VCGGK068](#))
- Reasons why some places are special and some places are important to people and how they can be looked after ([VCGGK069](#))
