

# Earth's Resources

Teacher Note: Print out one copy of the following sheet for each group. Cut out the prompt card and picture cards prior to the lesson.

Fresh Water

Trees

Fresh Air

Plants  
(fruit and vegetables)

## Question Prompts

1. Who uses this resource?
2. What do they use it for?
3. What could happen if too much of it was used?
4. What would happen if it was harmed or polluted?
5. How does that make you feel?
