

PRODUCTION LINE (EXAMPLE)

PRODUCTION STEPS	COULD SUGAR BE ADDED HERE?
Lettuce	
Planted as seeds	
Grown by farmers in a field	
Picked and washed	
Transported to a supermarket or other type of market or seller	
Bought, taken home, and eaten.	
Chicken breast	
The chicken hatches from an egg	
It's raised by farmers	
Once big enough, the chicken is killed and processed	
The breast is packaged and transported to a supermarket	
It's bought, taken home, cooked, flavoured, and eaten.	
Potato wedges	
Planted as seeds	
Grown by farmers	
Sold to a processor, who chops the potatoes up into wedges and flavours them	
Sent to the supermarket in packaging	
Bought, taken home, cooked, and eaten.	
Tomato sauce	
Tomatoes are planted as seeds	
Grown by farmers on vines	
Picked and sent to a processor, who minces them and mixes in vinegar, herbs and spices, salt, and other extras	
Packaged and sent to the supermarket	
Bought, taken home, and eaten.
