

1

You thrive on new situations, and love diving head-first into the unknown. Your energy and charisma make you a dynamic leader.

As much as you love starting exciting new things, you are not so great at finishing them, and prefer to leave that type of thing to others.

2

You love the finer things in life. Good food, exotic holidays, expensive clothes. You can be very stubborn, and have trouble accepting that you may be wrong.

3

You are a talker! Not just idle chit-chat though, you love getting into deep conversations and could keep going for hours. You are charming and quick-witted. Despite your intellect, you have a broad imagination.

Sometimes you find yourself just saying what you think others want to hear, instead of being honest.

4

To you, family and home are what drives you. You instinctively care for people, and are often the first person others will turn to for comfort. You are very emotional and empathic, which makes you a wonderful listener. It also makes you sensitive, and you can be easily hurt by others.

5

You are the center of attention. In any situation, you are the one that everybody is looking at. People like you, and desire to be around you. You are ambitious, and capable of great focus when you want to accomplish something. Sometimes your desire for attention can make you overly dramatic.

6

You like things to be just right. People may make jokes about how picky you are, but you understand that attention to detail is vital. You are industrious, methodical, and efficient. You use these gifts to help others, especially with your ability to spot things that others can't.

You can be overly critical at times, and often fail to notice the bigger picture.

7

Relationships with others are vital to you.

Teamwork, family, and friendship are the most important things in life. You thrive when working with others, and excel at bouncing ideas around to come up with truly creative solutions. You believe in fairness and balance.

You can be afraid of conflict, and this sometimes keep you from your goals.

8

You are determined to get to the bottom of things.

You have no interest in fluff, or idle chatter. You

have an enormous amount of emotional strength,

and use this to fuel your perception.

You have a hard time forgiving and forgetting, and

can be jealous at times.

9

You delight in travelling, meeting new people, and learning. You are broad-minded, and believe in learning as much about life as is possible.

Philosophy, religion, and culture are vital to understanding your place in the world. There is no greater quest to you than uncovering the meaning of life.

Sometimes your desire for new experiences makes you edgy, and you get bored very quickly.

10

You are a hard worker, and despise laziness. You understand more than anybody that at the end of the day, things need to get done. Your determine and ambition allow you to knuckle down and plow through whatever tasks are in front of you. You are practical and realistic, and excel at completing massive jobs by taking them one step at a time. The thrill of completion keeps you motivated. You can be stubborn, and unsympathetic to those who struggle to stay focused.

11

You want to make the world a better place. You are a humanitarian, and focus much of your energy on society, especially those aspects of it that do not work. You have many friends, most of whom have a similar mindset.

You cling to your beliefs stubbornly, and have a difficult time with people who do not share your views.

12

You are selfless, emotional, and private. Strongly aware of your own feelings, you often take on the joys and burdens of those around you. You are highly intuitive, and use this keen sense to be able to spot the heart of the matter.

You can be painfully shy at times, and sometimes find yourself being negatively affected by the emotions of others.
